ABOUT US

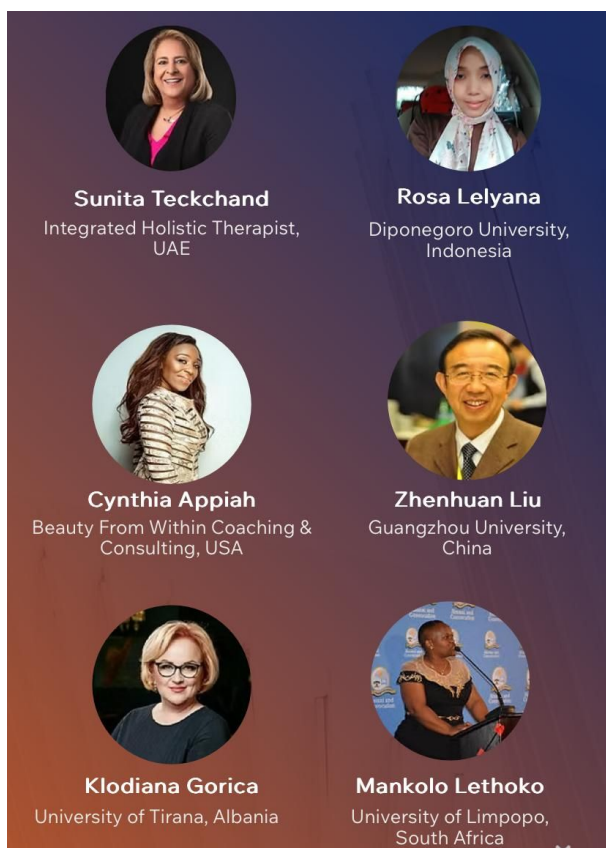

We invite you to the Nursing & Primary Healthcare 2026 which is taking place from November 19-20, 2026, in Dubai, UAE, and accessible both online as Virtual or Physical Presenter. This hybrid format ensures that nursing professionals, researchers, educators, and healthcare practitioners from around the world can participate, collaborate, and engage in advancing the frontiers of nursing science and practice. The conference will focus on "Nursing Leadership for a Changing World", emphasizing innovation, evidence-based practice, and transformative strategies to shape the future of nursing.

Nursing 2026 serves as a premier platform for nurses, healthcare leaders, academicians, clinicians, policymakers, and students to converge, share insights, and foster collaborations. Attendees will gain exposure to emerging trends, innovative practices, and evidence-based approaches shaping the future of patient care, healthcare delivery, and professional development in the nursing sector.

The conference will cover a broad spectrum of topics, ranging from clinical nursing, community and public health nursing, and nursing education to specialized areas such as critical care, pediatric, geriatric, mental health, and advanced practice nursing. Sessions will also explore technological integration, patient safety, healthcare management, and research methodologies, ensuring a comprehensive understanding of the evolving nursing landscape.

Participants will have the opportunity to present their latest research, engage in interactive workshops, participate in panel discussions, and exchange best practices with peers from across the globe. Whether you are an experienced nurse or an emerging healthcare professional, Nursing 2026 offers a dynamic and enriching environment tailored to diverse professional interests and aspirations.

The Nursing & Primary Healthcare Conference will be organized on November 19-20, 2026 at Dubai, UAE on Hybrid Mode. The event always received an overwhelming response and enthusiastic participation from attendees worldwide.

Wide Research Guide extends its sincere gratitude to all Organizing Committee Members, Chairs, Co-chairs, Exhibitors, Speakers, and Media Partners for their invaluable contributions, which were instrumental in making Nursing 2025 a remarkable success.

The conference served as an outstanding platform for the exchange of ideas and the exploration of cutting-edge innovations in the field of nursing. The program featured Keynote Sessions, Workshops, Oral and Poster Presentations, with distinguished speakers representing universities, hospitals, academia, and industry. Their insightful research and expertise greatly enriched the discussions and outcomes of the event.
